Saint Andrew's Society of the City of Milwaukee was founded in 1859 to unite local Scots for benevolent purposes and to provide a framework for social and cultural activities.

It continues its mission to "Relieve the Distressed" to this day. Any person of Scottish birth or descent, or of Scottish relationship through marriage, or any person who is simply moved by their love of the Scottish people and things Scottish (what we call "Scottish by inclination"), may be admitted as an active member. A prospective member, having submitted an application along with an initiation fee and first year's dues, will be presented to the membership for election to the Society.

Members receive a name tag and challenge coin when inducted. Learn more about the meaning and history of the challenge coins at saintandrewsmilwaukee.org/challenge-coin. For more information about the St. Andrew's Society of Milwaukee, visit our website at saintandrewsmilwaukee.org.
